MEMORANDUM

DATE: July 7, 2008
TO: All Children Home and Community Based Waiver Case Managers
FROM: Cliff Mikesell, Administrator *cm*
Developmental Disabilities Division
SUBJECT: Clarification on requests due to the new rate structure
REF: 08-159-CM

Enclosed are the Individualized Budget Amounts (IBAs) the Home and Community Based Waiver participants, whose annual individual plan of care (IPC) dates fall between September 2008 and June 2009. Providers have previously received the IBAs for participants whose annual IPC dates fall between July 1st and August 31st.

Individuals on the Children's DD Waiver, who do not utilize residential habilitation services, may still use the IBA, rather than the revised plan of care cost. Teams will be expected to follow the existing rules on limits of service, such as respite. All requests for new services will be reviewed carefully. If you have any questions, please contact the appropriate Children's Waiver Specialist.
